7:54 Report

Dan: Building Repairs - there are two separate insurance claims, each with a thousand dollar deductible.

8:00 pm Old Business:

Pastor Review: Larry based the written evaluation upon Dan's Letter of Call. After review by Executive Committee, it was determined that the evaluation needs to be refined to fit the current reality at People of Hope. E.g. on-line worship not considered at time of Dan's hiring, weekly Wednesday services no longer offered year-long. The MLT Exec will fill out the current evaluation to see what works and what doesn't. They will report to the full MLT at the May 12 meeting. Dan is also doing a self-evaluation.

8:13 New Business

Constitutional Revision

Annette moved to accept the changes. Dan seconded the move. Larry called the question: All were in favor. None were opposed. The motion carried. Dan proposed that we have the all congregational meeting (ACM) on May 22. MLT agreed. The ACM will be after the worship service. Dan will get the constitutions (old and to be approved) on-line.
