A **liability release** is now required by our insurance company for **each child**. Our insurance company now requires us to have a hard copy with a pen-to-paper signature. You can either print out this form from our website and turn it into the church office, or pick up a paper copy at the church to fill out and return. It's a bit of extra effort, but it allows us to be insured and helps to protect our children and families in case of emergencies.
