MLT flow chart development (Breeze)

1. Team Leaders still need to be identified in Breeze so that people know who to contact if they want more information (to join, attend an event, etc.)

The work around would be to put the team leaders name in the Tag. For example under Missions: Adopt-a-Highway would become Adopt-A-Highway Denise F. (She is the team leader)

Dianna P. made a motion to approve the cost of up to \$2500 for a new web cam used to stream services. Matt Morrissey seconded the motion. Discussion. Motion carried.

Do we want to spend \$600 each for Pastor Dan and for Tori to establish. Matt moved to approve \$1200 to file restraining orders if warranted. Dianna P seconded the motion. Passed with dissension.

8:18 pm. Meeting adjourned.
